

*Curriculum Vitae*

**John Benedict H. du Boulay**

Professor of Artificial Intelligence  
Dean of the SCHOOL OF SCIENCE AND TECHNOLOGY  
University of Sussex  
Brighton, BN1 9QJ, U.K.  
Tel: +44 (0)1273 678324 FAX: +44 (0)1273 877945  
email: B.du-Boulay@sussex.ac.uk

**Qualifications:**

B.Sc. Physics (2.1) Imperial College, London, 1966; P.G.C.E., University of Zambia, 1968;  
Ph.D., Department of Artificial Intelligence, University of Edinburgh, 1978.

**Employment:**

University of Sussex, (2003-) Dean of Science and Technology  
University of Sussex (1983-2003) Lecturer, Reader, Professor, Dean of COGS 1994-98  
University of Aberdeen (1980-83) Lecturer Department of Computing Science.  
University of California, San Diego, (1980) Research Fellow.  
University of Edinburgh (1974-80) PhD and Post-Doctoral Research Fellow.  
Shropshire Education Department (1972-73) Secondary School Teacher.  
Zambia (1969-71) Secondary School Teacher.  
Marconi Company (1966-69) Systems Analysis/Programmer.

**External Activities:**

Former Editor of the International Journal of Artificial Intelligence in Education, on the editorial boards of the Journal of Interactive Learning Environments and the Journal of Computational Intelligence. Programme Chair for AIED'97. Co-chair for ICCE'01. Program committee member for numerous international conferences including AIED, ITS, PPIG.

**Current and Recent Grants:**

Co-investigator (2007), EPSRC STAGE: Authoring as acting: exploring embodied interaction in game authoring environments for children £38,000.  
Co-investigator (2003-2006), ESRC/EPSC PACCIT LINK HOMEWORK: HOME and School Linked via Divergent Technology in a Pedagogic frameWORK, £250,000.  
Co-investigator (2004-2008) EPSRC Human centre technology Platform Grant, £400,000.  
Principal Investigator (2001-2003), EPSRC grant Coordination of Multiple External Representations in Learning Programming. £136,000.  
Co-investigator (1998-2002), EPSRC grant Computer Support in Neuroradiology via Interactive Overviews of Disease Spaces. £150,000.

**Publications:**

7 books (5 edited, 2 co-authored), 39 journal papers, 108 conference papers and book chapters, plus technical reports and other publications.
